Mr. Mario di Bonaventura
Director of Music
Hopkins Center, Dartmouth College
Hanover, New Hampshire

Dear Mr. Bonaventura:

I am looking forward with real pleasure to working with you this summer. I'm sure it will be an exciting musical experience, and, pursuant to our conversation of last week, I'm enclosing a list of chamber music involving the flute for possible use on the Wednesday evening series. I'm particularly fond of the Debussy, but have enjoyed performing all the listed works.

Linda Krebs, my flute student here in Oberlin, is definitely planning to be in Hanover, provided she is given the modest financial assistance she has requested. My other students had all made other plans for the summer by the time it was known I would be at Dartmouth. (They really plan ahead around here). Linda, however, is a fine musician and a most capable flutist and is fully qualified to handle any works we shall be doing this summer.

Sincerely,

Robert Willoughby
